

Directions to Casa Barry Lodge from Maputo.

GPS Co-Ordinates are on our web site

1. Some people prefer to go straight onto the EN1 and through the busy areas of Maputo other people prefer to get onto the Esplanade (Marginale) next the ocean and following this road past the Maputo beach front and the old Costa De Sol hotel until they get to Marraquene about 30km outside of Maputo this is where they then join the EN1 road going north.
2. Once you are on the EN1 Travel +- 200km North to XaiXai (Petrol fill up and KFC), once you go through Xai Xai (**Do not** turn off to Xai Xai beach) stay on this tar road for another 250km until you get to Lindela, (At the police and customs check point) where the road will have a Big Fork in it, here you turn right to Inhambane.
3. Travel for +- 42km until you enter the town of Inhambane, where you get to a large pier in the water on your left hand side, then turn right. Go 350m to a big circle and go to 2 o`clock. Keep on this road and you will go over a railway line, passing the Market on both sides of the road - (Big Hump). Follow this road, the road does split about 1 km from the small market, stay right (the left turn takes you to the airport). (**** **Beware** About 5 kms outside of Inhambane you will see a tiny bridge with a huge hump, please go slowly over this hump otherwise you will bump your heads.) From Inhambane you will travel about 15 to 18 km you will get to a small place called Barbabalza there are a few shops on each side of the road and here you will turn right to Tofo, still on a tar road, you will see the signs saying Casa Barry Beach Lodge, this road will take you to Tofo Beach. Then follow signs to CASA BARRY BEACH LODGE.
